

Description

The TYGRIS orange line marker paint is a durable semi-permanent paint for hard and grass surfaces. Solvent based paint used for applying semi-permanent markings to grass and most hard surfaces, inside or outside. Used inverted with a hand held or wheeled applicator, this paint is rapid drying and has good resistance to abrasion and chemicals. Available in 7 colours for safety and legal purposes.

Benefits & Features

- Easy to apply by hand or applicator
- Fast drying
- Lead and xylene free
- High opacity
- Anti-Clogging nozzle
- UV-stable
- Excellent abrasion and chemical resistance
- Compatible with most applicators
- 7 colours

Directions for Use

Shake can vigorously until agitator ball is heard and then for a further 2 minutes. Apply nozzle to can and invert to use. After use stand can upright and spray for 2-3 seconds to clear. Remove nozzle and store can on its side.

Technical Data
